

Lead Me

Weary, weary,

Weary though I be.

Lead me, lead me, oh lead me.

Trouble, trouble,

Far as I can see,

Lead me, lead me, oh lead me.

Where I'm walking

No one walks with me,

But lead me, oh lead me home to thee,

On home to thee.

Weary, weary,

Weary though I be,

Lead me, lead me, oh lead me.

Lead me, lead me, oh lead me.
