

## IF YOU ONLY GIVE ME A JOB

I could clean the stables with toothbrush and comb.  
That's the kind of detail for which I am known.  
I would spit and polish until the place shone  
If you only give me a job.

I could feed the tigers and llamas and gnus  
And all the other creatures that live in the zoos.  
If the tiger eats me, I've nothing to lose  
If you only give me a job.

Hey, come on, I could be really useful  
If you need someone loyal and true.  
In the bitter end,  
On whom can you depend?  
On me, myself and I, that's who!

You don't even know who you're talking to,  
Else you would hire me in haste.  
Such a wealth of talents  
Hanging in the balance!  
Will you let them go to waste?

I could pull a rickshaw and give you a ride,  
Striding down the roadway and beaming with pride,  
Even if a pickup and I should collide,  
If you only give me a job,  
If you only give me a job.  
You have never had a servant  
So solicitous and fervent  
If you only only give me a job!
